Basis of Recommendation

I have relied upon the current beneficial shareholding of CCIPL, PCPL and SIPL, the Proposed Scheme of Merger by Absorption and other information as provided by the management of the Clients and their respective advisors and authorized representatives.

Based on the review of the information made available and my discussions with the management of the Clients, authorized representatives and advisors of the Clients, some of the important factors considered for recommendation of the Equity Share Exchange Ratio are as under:

- (a) CCIPL, PCPL and SIPL are unlisted private limited Companies, which as on date are economically and beneficially directly held 100% by the same shareholders in same proportion;
- (b) As per the proposed Scheme, in consideration of merger of CCIPL and PCPL with SIPL equity shares of SIPL shall be issued to the shareholders of CCIPL and PCPL;
- (c) Post-merger, the control in the merged entity would continue to be exercised by the same shareholders, since the Companies are ultimately 100% held by the same shareholders in same proportion i.e., upon Scheme becoming effective, the respective businesses of CCIPL and PCPL would continue to be owned and controlled by the same shareholders in same proportion, thereby the interest of the shareholders of CCIPL and PCPL will effectively remain unchanged and their interest would not be prejudicially affected;
- (d) Consequently, pre and post-merger, the economic and beneficial ownership of the shareholders of the Companies shall remain with the same shareholders in same proportion and the proposed merger will be value-neutral to the current shareholders, hence fair valuation of the Companies has no relevance for the present valuation exercise for the Proposed Scheme of Merger by Absorption. In light of this, it may not be necessary to conduct a fair valuation exercise of the Companies under the present Scheme;
- (e) The Scheme does not envisage dilution of the holding of the shareholders of CCIPL and PCPL as a result of operation of the Scheme, since the current shareholders of the CCIPL and PCPL would continue to remain the shareholders of SIPL in the same proportion. Further, the Scheme shall not entail any change in management or control of the Companies and continue to be owned by the same shareholders;
- (f) The management of the Companies have further represented that during the pendency of the Scheme, there shall not be any change in the shareholding pattern of CCIPL, PCPL and SIPL or any rights attached to any securities issued by CCIPL, PCPL and SIPL, nor shall undertake any corporate actions, resulting into deviation of the key factors affecting recommendation under this report; and
- (g) The Equity Share Exchange Ratio as may be decided and as thought appropriate in consultation with the management of the Companies may be considered fair and reasonable with respect to this Scheme keeping in mind participant specific view sought by the management of the Companies; and
- (h) As represented by the management of the Companies, terms of the Proposed Scheme are part of commercial and business arrangement between CCIPL, PCPL and SIPL.

I have relied on the above while arriving at the equity share exchange ratio under the Proposed Scheme.

B. KEY DATE's

Appointment Date	I have been appointed vide engagement letter dated 18th August 2025
Valuation Date	The equity share exchange ratio should be considered as on the date of this report
Report Date	The share exchange ratio report has been submitted as on 29th August 2025

C. Procedure adopted in arriving at the recommendation**Premise / Basis of Report**

I am not attempting to arrive at the absolute value per share of the Company(ies) as the Companies would beneficially be held and controlled by the same shareholders in same proportion, thereby the interest of the shareholders will effectively remain unchanged and shareholders interest would not be prejudicially affected.

D. SOURCES OF INFORMATION

In connection with this exercise, I have used the following information received from the management:

- Audited financial statements of CCIPL, PCPL and SIPL for the year ended 31st March 2024;
- Unaudited Provisional financial statements of CCIPL, PCPL and SIPL for the year ended 31st March 2025;
- Proposed scheme of Merger by Absorption;
- Shareholding pattern of CCIPL, PCPL and SIPL as on the date of this report;
- Other relevant details of the Companies such as its history, past and present activities, future plans and prospects, and other relevant information; and

In addition to the above, I have also obtained such other information and explanations which were considered relevant for the purpose of the Analysis.

E. BASIS FOR EQUITY SHARE EXCHANGE RATIO

The basis of arriving at equity share exchange ratio for merger by absorption of CCIPL and PCPL with SIPL has been determined after taking into consideration all the factors mentioned hereinabove and considering participant specific view taking into account the nature of the Scheme and beneficial shareholding of the Companies. It is however important to note that in doing so, I am not attempting to arrive at the absolute value per share of the Companies as the Companies would beneficially be held and controlled by the same shareholders in same proportion, thereby the interest of the shareholders will effectively remain unchanged and shareholders interest would not be prejudicially affected. Hence, no relative valuation of the Companies is required to be undertaken to facilitate the determination of the Exchange Share Exchange Ratio.

As the beneficial ownership of SIPL would continue to be held by the same shareholders in same proportion, the following share exchange ratio (assuming no change in the beneficial shareholding) as

Registered Valuer (SFA)

suggested by the management of the Companies (keeping in mind participant specific view sought by the Clients) would be fair and reasonable –

“1 (One) fully paid-up equity Share of Rs. 100/- each of SIPL to be issued to the shareholders of CCIPL for every 1 (One) fully paid-up equity share of Rs. 10/- each held in CCIPL”

AND

“1 (One) fully paid-up equity Share of Rs. 100/- each of SIPL to be issued to the shareholders of PCPL for every 1 (One) fully paid-up equity share of Rs. 10/- each held in PCPL”

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those, Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal financial control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Independent Auditor's Report

To the Members of Shubhkart India Private Limited

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the financial statements of **Shubhkart India Private Limited ("the Company")** which comprise the Balance Sheet as at March 31, 2025 and, the Statement of Profit and Loss, and the statement of cash flows for the year ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the *Basis for Qualified Opinion* section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2025, and Profit, and its cash flows for the year ended on that date.

Basis for Qualified Opinion

As stated in Note 44(B) to the financial statements, the Company has written off long outstanding advances of Rs.107.01 lakhs, short-term loan and advances in the nature of share application money of Rs.50.00 lakhs and written back outstanding liabilities of Rs.161.21 lakhs, which had remained unrecovered/unpaid for over ten years, and has recognised the resultant net surplus in the Statement of Profit and Loss based on management's assessment. In the absence of adequate and appropriate audit evidence to support the recoverability of such advances and the cessation or waiver of the related liabilities, we are unable to determine whether these adjustments and their recognition in the current year are appropriate, and the consequential impact, if any, on the financial statements.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Other information

The Company's Board of Directors is responsible for the other information. The other information comprises the Board's Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those, Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Re: SHUBHKART INDIA PRIVATE LIMITED

“ANNEXURE B” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2 (i) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date on the financial statements of **Shubhkart India Private Limited**)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Shubhkart India Private Limited (“the Company”) as of March 31, 2025 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

SHUBHKART INDIA PRIVATE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

NOTE 1 SIGNIFICANT ACCOUNTING POLICIES

I CORPORATE INFORMATION

Shubhkart India Private Limited is a Private Limited company incorporated on 25th July, 1995 having CIN U74999MH1995PTC090975 at Mumbai under the Companies Act, 1956. The registered office of the company is located at 901, Vaibhav chambers, Bandra-Kurla complex, Bandra (east), Mumbai-400051. It is involved in manufacturing, trading and export of puja essentials.

II BASIS OF PREPARATION OF FINANCIAL STATEMENTS

The financial statements are prepared to comply in all material aspects under the Historical Cost convention and in accordance with generally accepted accounting principles in India and the mandatory Accounting Standards prescribed under Section 133 of the Companies Act 2013 ('Act') read with Rule 7 of the Companies (Accounts) Rules, 2014, the provisions of the Act.

III USE OF ESTIMATES

The preparation of financial statements is in conformity with Indian GAAP and requires Management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon Management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

IV PROPERTY, PLANT & EQUIPMENT AND INTANGIBLE ASSETS

a) Property, Plant & Equipment

Property, Plant & Equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of property plant & equipment is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing property plant & equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Advances paid towards the acquisition of property plant & equipment are disclosed as "Capital Advances" under Loans and Advances and the cost of assets not ready to be put to use as at the balance sheet date are disclosed as 'Capital work-in-progress'.

b) Intangible Fixed Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

V DEPRECIATION

a) Property, Plant & Equipment

Depreciation on property plant & equipment is provided under Written Down Value Method based on the useful life of the assets as prescribed in Schedule II to the Companies Act, 2013.

b) Intangible Fixed Assets

Intangible assets are amortized on a straight line basis over the estimated useful economic life. Computer software are amortised over a period of Five years from the date available for use.

VI IMPAIRMENT LOSS

The Company assesses at each Balance Sheet date whether there is any indication that any asset may be impaired and if such indication exists, the carrying value of such asset is reduced to its recoverable amount and a provision is made for such impairment loss in the statement of profit and loss. If at the Balance Sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to maximum of depreciated historical costs.

VII BORROWING COSTS

General and specific borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. All other borrowing costs are recognised in Statement of Profit and Loss in the period in which they are incurred.

VIII REVENUE RECOGNITION

Revenue (income) is recognized to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

- a) Revenue from sale of goods is recognized when all the significant risk and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects Goods and Service Tax on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

- b) Interest Revenue is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

SHUBHKART INDIA PRIVATE LIMITED
NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2025

IX RETIREMENT BENEFITS

The amount in respect of Gratuity/Retirement Benefits payable in accordance with payment of Gratuity Act 1972/Other Statutory Provisions, If any, shall be accounted on accrual basis as per Actuarial Valuation.

a) Short Term Employee Benefits:

Short Term Employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss account of the year in which the related service is rendered.

b) Post Employee Benefits:

Post Employment and other long term employee benefits are recognised as an expense in the Statement of Profit and Loss for the year in which the employee has rendered services. The expense is recognized at the present value of the amounts payable determined using actuarial valuation techniques. Actuarial Gains and loss in respect of post employment and other long term benefits are charged to Statement of Profit and Loss.

X FOREIGN CURRENCY TRANSACTIONS

Transactions in foreign currencies are recognised at the prevailing exchange rates on the transaction dates.

Foreign currency denominated monetary assets and liabilities, except liabilities for financing property plant & equipment are stated at the rate of exchange prevailing at the date of the Balance Sheet and resultant gains/losses are charged to the Statement of Profit and Loss.

XI INVENTORY

Closing Stock of Raw material, Finished & Traded Goods are valued on weighted average cost formula at lower of as follows :

- a) Raw Material : Lower of cost or net realisable value
- b) Finished Goods : Lower of net realisable value and material cost plus labour and overheads.
- c) Traded Goods : Lower of cost or net realisable value

XII LEASE

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

XIII TAXES ON INCOME

Tax expense comprises both current and deferred tax at the applicable enacted/substantively enacted rates. Current tax represents the amount of income tax payable/ recoverable in respect of the taxable income/loss for the reporting period.

Provision for current tax is made on the basis of estimated taxable income for the current accounting period in accordance with the provisions of the Income Tax Act, 1961.

Deferred Tax represents the effect of "timing differences" between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods. Deferred Tax Assets are recognized only on reasonable certainty of realization and on unabsorbed depreciation and brought forward losses only on virtual certainty.

XIV PROVISIONS AND CONTINGENT LIABILITIES

Provisions are recognized in the accounts for present probable obligations arising out of past events that require outflow of resources, the amount of which can be reliably estimated.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the company, unless likelihood of an outflow of resources is remote. Contingent assets are not recognized in the accounts, unless there is virtual certainty as to its realization.

XV EARNINGS PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

XVI CASH AND CASH EQUIVALENTS:

Cash and Cash equivalents in the cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
